Welcome to Mystrery chamber 2023

What will be the output of the following code

```c
#include <stdio.h>

int main() {
    int num = 7;
    for (int i = 0; i < 10; i++) {
        if (i % 2 == 0) {
            num++;
        } else {
            num--;
            num += 10;
        }
    }
    printf("Link NO %d", num);
    return 0;
}
```

Output: ?????????

pigglywiggly
pigglywiggly
pigglywiggly
pigglywiggly
pigglywiggly
pigglywiggly
pigglywiggly
pigglywiggly
pigglywiggly
